| Even Semester begins                  | 5 January 2027              |

### 2. General Working Schedule

Regular classes are normally conducted Monday through Friday. Saturday may be used for laboratories, workshops, examinations, placement activities, or other academic events.

### 3. Calendar Updates

Dates may be changed through an official circular. When a dated circular changes a calendar event, the latest applicable circular takes precedence.
