

NEXORA INSTITUTE OF TECHNOLOGY

Admission

1. B.Tech Admission Eligibility

Applicants should have completed 10+2 or an equivalent qualification with Mathematics, Physics, and an approved additional subject. Admission is subject to the applicable entrance examination, counseling, category, and seat-allocation rules used for the admission cycle.

2. Documents Required

Applicants should generally provide proof of identity, recent photographs, 10th standard certificate, 12th standard or equivalent certificate, transfer certificate, migration certificate when applicable, entrance examination documents, and category/income certificates where applicable.

3. Admission Process

The sample admission process consists of online registration, application review, counseling or merit processing, provisional seat allotment, document verification, payment of applicable fees, and final admission confirmation.

4. Document Verification

Original documents may be required for verification. If a required document is unavailable, the applicant should contact the admissions office before the stated deadline.

5. Admission Office

Admissions Office: Academic Block, Ground Floor. Working hours: Monday to Friday, 9:30 AM to 4:30 PM. Saturday: 9:30 AM to 1:00 PM.

6. Important Note

Admission requirements can change for a particular academic year. Students should follow the latest official admission circular issued by the institute.
