

NEXORA INSTITUTE OF TECHNOLOGY

College Handbook

1. About Nexora Institute of Technology

Nexora Institute of Technology (NIT) is a fictional/sample technology institute created for demonstrating a Retrieval Augmented Generation (RAG) College Helpdesk application. The institute emphasizes practical learning, academic discipline, innovation, professional skills, and student support.

2. Academic Structure

The institute offers undergraduate B.Tech programs in Computer Science and Engineering, Information Technology, Electronics and Communication Engineering, Electrical and Electronics Engineering, Mechanical Engineering, and Civil Engineering. Each academic year is divided into two semesters.

3. Student Responsibilities

Students must carry their institute identity card, follow academic schedules, maintain attendance, submit assignments on time, follow examination instructions, respect campus property, and comply with safety and discipline requirements.

4. General Campus Rules

Students must maintain cleanliness and respectful conduct on campus. Smoking, possession of prohibited substances, vandalism, harassment, and disruptive behavior are not permitted. Visitors must follow campus entry procedures.

5. Attendance

The standard minimum attendance requirement is 75 percent in each course. Students falling below the required attendance may be restricted from appearing for semester examinations unless an approved attendance relaxation applies.

6. Examinations

Students must carry their valid identity card and examination hall ticket. Electronic devices are not permitted in examination halls unless explicitly authorized. Students should report at least 15 minutes before the scheduled start.

7. Library

The central library is open from 8:00 AM to 8:00 PM on working days and from 9:00 AM to 1:00 PM on Saturdays.

8. Hostel

Hostel accommodation is subject to availability and eligibility. Residents must follow hostel entry timings, maintain cleanliness, avoid unauthorized guests, and comply with the hostel warden's instructions.

9. Placements

Students who meet the eligibility criteria published for a particular recruitment drive may participate in placement activities. Eligibility can vary by company and job role.
