2. Payment Schedule

Academic fees are normally paid before the beginning of the applicable academic year or semester according to the fee notice. The institute may provide a specific deadline in each academic year's circular.

3. Late Payment

Payments made after the published deadline may attract a late fee or other administrative action according to the current fee circular.

4. Refunds

Fee refunds, where applicable, are governed by the institute's refund policy and the applicable admission/cancellation rules for that academic year.

5. Payment Support

Students facing a payment issue should contact the Accounts Office with their student ID and payment transaction details.
