

NEXORA INSTITUTE OF TECHNOLOGY

Scholarships

1. Scholarship Support

Nexora Institute of Technology provides information and application support for eligible government, institutional, merit-based, and need-based scholarships. Availability depends on the relevant scholarship scheme.

2. Common Documents

Applicants may be asked for identity proof, academic certificates, bank account details, income certificate, category certificate where applicable, residence/domicile proof where applicable, and recent photographs.

3. Application Process

Students should review eligibility, collect required documents, submit the application through the designated portal or office, and retain the application acknowledgement.

4. Merit Scholarship

A sample institutional merit scholarship may be awarded to students with strong academic performance. The exact eligibility threshold and award amount are announced for each academic year.

5. Need-Based Support

Students experiencing financial difficulty may contact the Student Support Office to learn about available assistance and applicable documentation.

6. Deadlines

Scholarship deadlines vary by scheme. Students should follow the latest official scholarship notice rather than relying on an older deadline.
