

NEXORA INSTITUTE OF TECHNOLOGY

Student Services

1. Student Identity Card

Every enrolled student should carry a valid institute identity card on campus. Lost identity cards should be reported to the Student Helpdesk and the replacement process should be completed through the designated office.

2. Certificates and Academic Records

Students may request bonafide certificates, transcripts, course completion documents, and other academic records through the Academic Office or designated student portal.

3. Grievance Support

Students who have an academic, administrative, safety, or campus-service grievance may submit it through the Student Helpdesk or the designated grievance process. Complaints should include sufficient information for the institute to investigate.

4. IT Support

IT Support assists with student portal access, campus Wi-Fi, institute email, laboratory systems, and other authorized academic technology services.

5. Student Clubs

Students may participate in technical, cultural, sports, literary, entrepreneurship, and social-service clubs. Club registration is normally announced at the beginning of the academic year.

6. Counselling and Student Welfare

Students seeking general academic or personal support may contact the Student Support Office for information about available campus services and appointment procedures.
